

Systems Engineer – Palmerston North

Looking for that next challenge?

Do you have a passion for the role that ICT is able to play in schools?

Edtech is a leading provider of ICT Solutions and Services to schools in New Zealand. With a reputation that is second to none, Edtech has helped schools maximise their investment in ICT for the last fifteen years.

We seek a self-motivated Systems Engineer to join our successful Palmerston North team. The ideal candidate will have a mixture of client facing and people skills combined with deep understanding and experience of a wide variety of technologies.

The role involves a dynamic combination of tier two support, systems implementation and solution design. The successful candidate will be able to forge their own path within the company as we seek to expand our central and lower North Island customer base.

Working across the lower North Island region, the ideal candidate will have experience and understanding of the following:

Networking

- Multiple switch brands (HP Networking, 3Com, Allied Telesis)
- Firewall appliances/software (CISCO)
- TCP/IP LANS and VLANS
- Connection media and interfaces i.e. Fibre optic, Ethernet, DSL, etc.
- Wireless 802.11 technologies

Server Hardware

- HP, all models
- IBM

Server O/S and Software

- Microsoft Windows Server 2003, 2008
- Mac OSX Server and Linux (desirable)
- Microsoft Exchange 2003, 2007, 2010
- Microsoft ISA or TMG
- Terminal Services

Hypervisors

- Microsoft Hyper V
- VMWareVsphere 3.5 and 4.x design and implementation

Storage

- HP or Left Hand SAN
- NAS
- SCSI technologies

User Environment Skills

- Windows XP and Windows 7
- Mac OSX (desirable)
- Deep understanding of MS Active Directory Group Policy and preference manipulation as well as the ability to define, implement and trouble shoot complex and customised Standard Operating Environments
- Windows operation system deployment and application packaging and deployment skills

Professional Skills

- Professional and customer facing
- Excellent documentation
- Ownership of deliverables
- Ability to work within scope and budget and deliver projects successfully
- Relevant qualifications highly desired

We will provide an excellent salary package including car/car allowance, an exciting modern vibrant work environment and professional development to help you take your career to the next level. This is a unique opportunity to leverage your skills and experience to benefit a large number of schools.

So are you ready for the next challenge?

If so, please send your application and CV to richard.greaney@edtech.co.nz

Applications close Friday 30th September
